Solution learned by head 1, $\lambda = 0.50$
True solution for $\lambda = 0.50$
Solution learned by head 2, $\lambda = 1.50$
True solution for $\lambda = 1.50$
Solution learned by head 3, $\lambda = 2.50$
True solution for $\lambda = 2.50$
Solution learned by head 4, $\lambda = 3.50$
True solution for $\lambda = 3.50$
$u(x; \lambda)$
